

Uninterruptible power supply for Bus

SPECIAL FEATURES

- ⚙ High power capacity 2600mAh/12V
- ⚙ Low power detection automatically
- ⚙ Wide power input range 9~32V
- ⚙ Power reverse protection
- ⚙ Safety charge protection

ITEM	UPS-06-2600
Typical capacity	2600mAh
Maximum charging voltage	13.05V
Minimal charging voltage	9V
Charge current (max.)	1000mA
Power input range	DC 9V~32V
Maximum continuous discharge current	6A
Life cycle	300 (capacity keep more than 80%)
Operating Temperature	-30°C ~ +75°C
Storage Temperature	-40°C ~ +85°C
Humidity	Under 85% RH (Non condensing)
Weight	Approx. 510g
Dimension	121mm x 78mm x 43mm
